Education

Bachelor of Technology (Computer Science and Engineering)

2021-2025

- Vellore Institute of Technology, Bhopal
- Cumulative GPA: 8.61/10

Skills

Technical Skills:

- Programming Languages: Java, JavaScript, Kotlin, HTML, CSS, SQL.
- Technologies: Spring Boot, Spring MVC, Spring Data JPA, React, Node.js, Express.js, MongoDB, Tailwind CSS, RESTful API, Git, GitHub, Gradle

Work Experience

Vizzle | Remote | Lead Full Stack Developer.

- Designed and developed a complete waitlist website for a fashion startup using **React.js** and **Tailwind CSS**.
- Created a responsive landing page with a form to collect user details like name, gender, age, email, and phone number.
- Integrated **email functionality** so that form submissions are sent directly via email using **EmailJS**.
- Built reusable components like navbar, footer, form, and confirmation modal.
- Handled the entire project independently — from UI design and coding to deployment and email integration.
- Helped the startup collect early user interest before their official launch.
- Duration: From Jan 2025 to May 2025**

Antarman: Mental Healthcare Service | Remote | Frontend Developer Intern

- Enhanced website responsiveness and optimized layout for various screen sizes and devices.
- Identified and resolved UI bugs to improve performance and user experience.
- Designed and developed new user interface pages using **React.js** and **Tailwind CSS**.
- Contributed to clean, reusable code aligned with modern frontend development practices.
- Currently working on building interactive dashboards and improving overall UI consistency.
- Collaborating with cross-functional teams to deliver visually appealing and user-friendly features.
- Duration: From May 2025 to June 2025**

Gyri Infotech | Remote | Backend Developer Intern

- Joined as a Backend Developer and currently undergoing training in **Kotlin** and **Spring Boot** to build scalable backend services.
- Learning core backend concepts such as **RESTful APIs**, database integration, dependency injection, and service layers in Spring Boot.
- Working closely with senior developers to understand real-world project structures, clean architecture, and code best practices.
- Gaining hands-on experience with tools like Postman, **MySQL**, **Git**, and **Spring Data JPA** as part of the onboarding process.
- Preparing to contribute to upcoming internal or client projects involving enterprise-level application development.
- Duration: From June 2025 to Present**

Academic Projects

Natours Website

- Built a RESTful API for a tour booking app using Express.js and MongoDB.
- Added features like creating, updating, and deleting tours, along with location-based search and secure login using JWT.
- Followed the MVC structure to keep the project well-organized and easy to manage.
- Designed a clean, responsive UI with Pug templates and made sure the app was secure, handled errors well, and ran smoothly.
- Technology: Node.js, Express.js, MongoDB, Mongoose, Pug, JWT

Grameen Arthik Seva (Full Stack)

- Designed and developed a clean, responsive, and user-friendly interface for a microfinance management platform focused on transactions between landowners and farmers.
- Wrote modular, maintainable code using HTML, CSS, and JavaScript, ensuring smooth user interactions and a consistent layout across devices.
- Improved the layout and made the website fully responsive for a smooth user experience.
- Followed modern frontend best practices to ensure accessibility, performance, and scalability of the user interface.
- Technology: HTML, CSS, JavaScript, PHP, MySQL

Certifications

- AWS Certified Cloud Practitioner, AWS:** Accredited by AWS for demonstrating a fundamental understanding of AWS Cloud services and concepts.
- ETHNUS Full Stack Certification:** Successfully finished an internship program that focused on the MERN stack, which includes full-stack web development techniques React, Node.js, Express.js and MongoDB.

Extracurriculars and Achievements

- Coding:** Hacker rank 5 star in Java, Hacker rank 5 star in SQL, Solved 250+ questions on Leetcode (rank: 427,153)
- Responsibilities:** Discord Moderator – DEV CODE Community, NSS Club Member

Hobbies

- Playing Outdoor Games:** Enjoy playing badminton and cricket, maintaining an active lifestyle and promoting teamwork.
- Trekking:** Enjoy high-altitude adventures; successfully trekked Chandrashila Peak, showcasing endurance, determination, and love for nature.

Languages

- English, Hindi, Marathi
